

**REMARKS/ARGUMENT**

On 16 June 2003, a Response and Amendment was filed responsive to the Office Action dated 14 March 2003. In that Response and Amendment, the preamble of claim 1 was amended by removing the word "grammar". However, it was subsequently noted that the claims depending from claim 1 were not amended to conform to the new preamble. Accordingly, the instant Amendment is being filed to conform the claims which depend from claim 1 to the amended preamble of claim 1.

Additionally, it was noticed that the terms "first shape" and "second shape" were not used consistently between independent claim 12 and its dependent claims. That inconsistency has been eliminated through this amendment.

No other changes are made through this Supplemental Amendment.

Respectfully submitted,
